## Christmas in July

### The Redeemer comes...

This week we focus on why Jesus came at Christmas- to redeem us. Redemption can be a tough concept for kids- grown ups too sometimes! Concentrate on the idea that Jesus came to get us back from sin and death. He came at Christmas because of His great rescue mission.

1

## Show and Tell Videos on Flipgrid

You'll want to download the Flipgrid app. It's free and safe!

**This week's video idea:** What is your favorite part of the story of Jesus' birth? Why did Jesus come to rescue us?

We loved seeing your videos last week. If you didn't get to send one last week- make sure you send one this week!

**Tip:** Your phone's camera probably reads QR codes!

## Bible Words to Remember—"For unto you is born a Savior... who is Christ the Lord" Luke 2:11

As a family, memorize this week's verse. On a clear night, take a look at the stars. Talk about your favorite Christmas traditions. If folding origami stars is too challenging for little hands, we've included star cookie cutter in your kit. Have fun making stars with Play-Doh.
